Darlene Salinger-Director
Michelle F. Eber-Director

Mr. Baker opened the meeting at 6:40pm. Quorum was not met to conduct business. No votes were taken.

A round table discussion was conducted. The following items were brought up to be discussed and possibly acted on at the next board meeting (April 21, 2010).

ITEM 1: GKHSAA needs to focus energy on becoming ONLY socially oriented with a dual purpose of recruiting new members, at least until membership grows and the school becomes more active with the association. We will of course continue to try and connect with the school.

ITEM 2: We suggestion suspending collection of dues to currently paid members. Current memberships will be extended to July 8, 2011 while we continue to grow. Any new members would still be expected to pay dues.

ITEM 3: We would like to hold a Class of 2010 graduation celebration and alumni picnic on May 29, 2010 at Lafreniere Park. GKHSAA would supply food (hopefully with donations); it would be BYOB. Chris will look into a DJ. Lisa will look into availability and cost to rent space. Scott will look into cost of inflatable. (note: graduation is May 22.)

ITEM 4: We would like to purchase reusable signs for reunions. Chris and Lisa will look into cost.

ITEM 5: We would like to purchase two banners: one to put up at events, one to put up, possibly at EJ on West Metairie. Chris will look into this.

ITEM 6: We would like to make all graduating seniors GKHSAA members, no dues the 1st year.

ITEM 7: We would like to piggy back on any events other Alumni are planning and post them as events on our sites.

The meeting was adjourned at 8:20pm. The next meeting is scheduled to be held April 21, 2010 at the Law Office of Colby & Coleman, 4430 S. I-10 Service Road, Suite 204, Metairie, LA 70001.

Respectfully Submitted,

Christopher Baker, President
